

INTRODUCES

MG3

SMALL
BUT MIGHTY

Petrol or Hybrid powertrain, smart features and safety innovations, smooth drive and smart design, and a seven-year warranty to boot. The MG3 goes big on almost everything. Just not size.

JOY
STICKS

The MG3 puts a smile on your face and it stays with you. On every journey.

ATHLETIC LOOKS

Agile and alive with energy on the outside, premium features and intelligent safety systems on the inside.

ADVANCED PERFORMANCE

Small footprint, big impression. The Hybrid+ engine and high capacity battery combine to lower fuel consumption and CO_2 emissions for class-leading performance.

IT'S PERSONAL

The MG3 is so you. Choose between two powertrains, six head-turning colours, and two trim levels with the Hybrid+ model.

BIG
STYLE

From a bold grille all the way to a smooth spoiler and light-trailed taillamp. Bold and sporty style, front to back.

FULL-ON, FRONT-ON PRESENCE

A black, wide-open grille is illuminated by 11 powerful LED's in the MG3's integrated high and low beam headlamps.

FIVE-SPOKE ALLOY WHEELS

16" five-spoke alloys.
Aerodynamic by design,
dynamic by nature.

CLASSIC, MEETS ATHLETIC

Rooted in MG heritage, redefined with a compact, athletic stance.

INSIDE
REFINED

A sophisticated, all-black interior comprises leather-style front seats* with 6-way adjustability**, high-gloss panels and chrome detailing. Take control with the multifunction soft-touch steering wheel.

SPACE ALL AROUND

Don’t be fooled by the slim profile. Mighty generous cabin space and smart storage solutions include an adjustable cup holder and armrest tray, and ample boot capacity.

*MG3 Hybrid+ Trophy model only.

**Driver seat only (4-way adjustable for front passenger).

HYBRID
WORKING

DUAL POWER

A partnership of petrol and electric delivers the powerful and the economical. In equal measure.

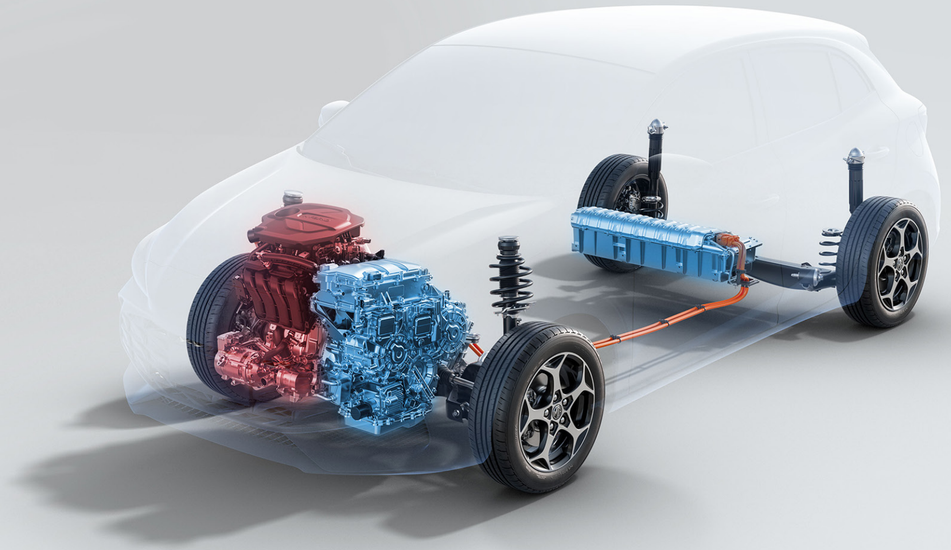

HIGH PERFORMANCE, LOW EMISSIONS

Shrink your carbon footprint with lower fuel usage, and the ability to hit zero tailpipe emissions in fully electric mode.

REDUCED RUNNING COSTS

With less money spent at the pump and lower road tax driving down your costs, you can concentrate on the driving.

A MIGHTY PLUS

PERFORMANCE

On urban commutes, feel more power and seamless electric torque with the 100kWh electric motor and 75kW dedicated hybrid engine. Better on performance and fuel economy.

LOW EMISSIONS

100g/km of CO_2 and 64.2 mpg of petrol. That makes emissions much lower than a comparable petrol car. And it makes for potential savings on tax and low-emission zones.

ULTRA EFFICIENCY

The MG3 Hybrid+ is designed to leave the rest behind. Its quick-response motor and 3-speed hybrid transmission make it one of the most efficient models in its class.

SMOOTHER DRIVE

The instant response and effortless acceleration of a fully electric vehicle, at your feet. In the MG3's class-leading, high-capacity 1.8kWh battery, you get more smooth EV driving, more of the time.

INTELLIGENT TECHNOLOGY

Smart tech is smartest when it puts you in total control. The MG3 puts everything you need at your fingertips.

10.25" HD INFOTAINMENT SCREEN

Sat nav, Apple CarPlay™, Android Auto™, Bluetooth, DAB radio. Access it all from the floating display, while driving safely.

7" HD DRIVER DISPLAY

Intuitive, but not intrusive. The virtual cluster makes it easy to view driving information, and control your phone, music and other infotainment.

360° CAMERA*

Tackle parking and narrow spots with ease. Four wide cameras give you an all-round HD view, ultrasonic radar alerts you to obstructions, and Dynamic Reversing Assist helps you park at the perfect angle.

MG iSMART

Control your MG3 from the palm of your hand. Finding your vehicle, remote locking and unlocking, vehicle status checks and more. All with the intuitive MG iSMART app.

*MG3 Hybrid+ Trophy model only. The 360° Around View Monitor is a driver assistance system designed to support parking and low-speed manoeuvring. Due to the limited coverage of the camera system, the display may not show all surrounding obstacles or hazards.

The driver shall remain fully responsible for the safe operation of the vehicle and shall at all times maintain awareness of the vehicle's surroundings by direct visual inspection and appropriate caution.

MG pilot

For added confidence on the road, the MG3 is equipped with a suite of high-tech driver assistance technology.

TBC

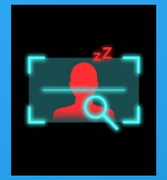

Intelligent Speed Limit Assist

Lane Keep Assist (LKA)

Traffic Sign Recognition

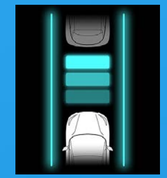

Driver Monitoring System

CRUISE CONTROL FEATURES

Adaptive Cruise Control (ACC)*

Intelligent Cruise Assist (ICA)

COLLISION AVOIDANCE

Forward Collision Warning

Active Emergency Braking (AEB)

REAR DRIVING ASSISTANCE

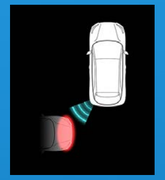

Rear Driving Assist*

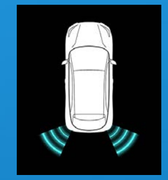

Rear driving assist feature includes the following:

Lane Change Assist*

Rear Cross Traffic Alert**

Blind Spot Detection*

For more information, please visit your local MG dealer.

*Only available on MG3 Hybrid+ models.

**Only available on MG3 Hybrid+ Trophy models.

REMOTE
CONTROL

A new level of connection and interaction with your MG3. From the MG iSMART app you can control your car from the driving seat, or out and about on your feet.

Find your car, check its status and monitor fuel levels, pre-start the climate control system to hit the right temperature, and pre-heat the seats*. All before you step inside.

*Pre-heating seats on MG3 Hybrid+ Trophy model only.

Warranty & Servicing	
Service Intervals	12 months / 15,000 miles
Manufacturer's Warranty	7 years / 80,000 miles

*The 360º Around View Monitor is a driver assistance system designed to support parking and low-speed manoeuvring. Due to the limited coverage of the camera system, the display may not show all surrounding obstacles or hazards.

The driver shall remain fully responsible for the safe operation of the vehicle and shall at all times maintain awareness of the vehicle's surroundings by direct visual inspection and appropriate caution.

AFTERCARE

7 YEAR WARRANTY

Performance is nothing without peace of mind. The MG3 and our 7-year or 80,000-mile (whichever comes first) warranty deliver both, with expert technicians on-hand to keep your MG3 at its best. In a warranty that's fully transferable to future owners.

MG SERVICE PLANS

Protecting you against bumps in the road, our Service Plans cover your MG3 for up to 7 years and a preferred mileage range. And with an authorised repairer network offering genuine parts and factory-trained staff, you know your car will always be in its optimal condition.

7 YEAR WARRANTY
