

INTRODUCES

MG HS

DESIRABLY DEFIANT

There's different, then there's defying expectation. Balancing luxury and practicality, exhilaration and efficiency, the MG HS elevates driving and takes the family SUV to a new level.

BORN TO PERFORM

From a choice of Plug-in Hybrid, Hybrid or Petrol powertrains, to an imposing style and impressive performance. This sophisticated SUV makes room for it all.

STRENGTH IN NUMBERS

The Plug-in Hybrid powertrain delivers a range of up to 75 miles and accelerates from 0–62mph in just 6.8 seconds*. The 1.5T petrol engine produces 169PS and 275Nm of torque, while the Hybrid+ powertrain combines the best of electric and petrol performance for a seamless, smooth drive.

SPACIOUS TRAVEL

There's room to roam and relax inside the MG HS. And with up to 1,484 litres of boot capacity, there's even more in the back for the sports gear, the weekend luggage, and the family dog. Or maybe all three.

PRACTICALLY PERFECT

Wireless charging**, dual 12.3" screens, MG Pilot driver assistance. A feature-packed MG HS makes for a freedom-fuelled journey.

*Plug-in Hybrid models only. Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. **Trophy models only.

EFFORTLESSLY SPACIOUS

LOAD UP, SIT BACK AND CHILL OUT

Life feels better when there's room to breathe. The MG HS gives you generous leg and headroom, front and rear, and up to 630* litres of boot space expands to 1,484 litres with rear seats down.

LOADING MADE EASY

Choose from a power tailgate in the Petrol Trophy edition, or a smart, hands-free tailgate in Hybrid and Plug-in Hybrid Trophy models. Effortless practicality in the MG HS, front to back.

* 630 litres on ICE variants & 530 on Hybrid+ and Plug-in Hybrid variants.

TECH
HIGH

Feel the buzz and stay firmly connected to life. The MG HS puts the latest tech features at your fingertips.

12.3" HD VIRTUAL CLUSTER

Your control centre. Stay in command of everything from sat nav to songs. Smart, smooth, simple.

INTELLIGENT SYSTEMS

The MG iSMART app helps you set the tone by heating the seats*, adjusting climate control and more, from anywhere. MG Pilot is your innovative, on-board driver safety system. And there's also Apple CarPlay™ and Android Auto™ compatibility.

360° HD CAMERA*

Manoeuvre with complete confidence. The 360° HD camera* gives you total visibility all around, even underneath your MG HS.

*Trophy models only. The 360° Around View Monitor is a driver assistance system designed to support parking and low-speed manoeuvring. Due to the limited coverage of the camera system, the display may not show all surrounding obstacles or hazards.

The driver shall remain fully responsible for the safe operation of the vehicle and shall at all times maintain awareness of the vehicle's surroundings by direct visual inspection and appropriate caution.

POWER
FEELS

However you like to drive, advanced powertrains in the MG HS put the power in your hands and at your feet.

FROM PLUG-IN TO PETROL

The latest generation Plug-in Hybrid powertrain gives you enhanced efficiency and power regeneration, with up to 75 miles of EV range*. Alternatively, a Petrol model offers 6-speed manual or 7-speed DCT transmission. And they're both backed by a 7-year warranty.

MULTIFUNCTION STEERING WHEEL

Performance is beautifully in reach. Set Cruise Control, switch between Driver Display menus, activate voice recognition and more, all from a brushed aluminium and perforated leather effect steering wheel.

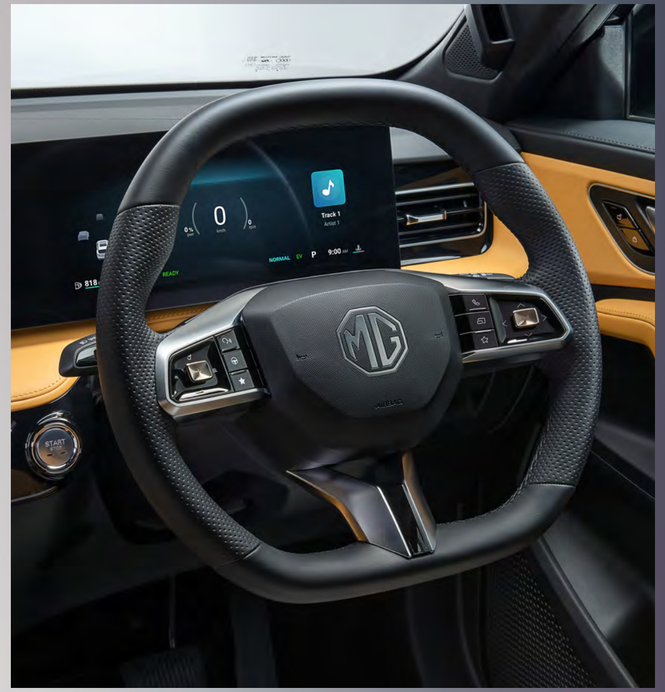

*Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post registration.

**Trophy Petrol DCT, Trophy Hybrid+ and Trophy Plug-in Hybrid versions only.

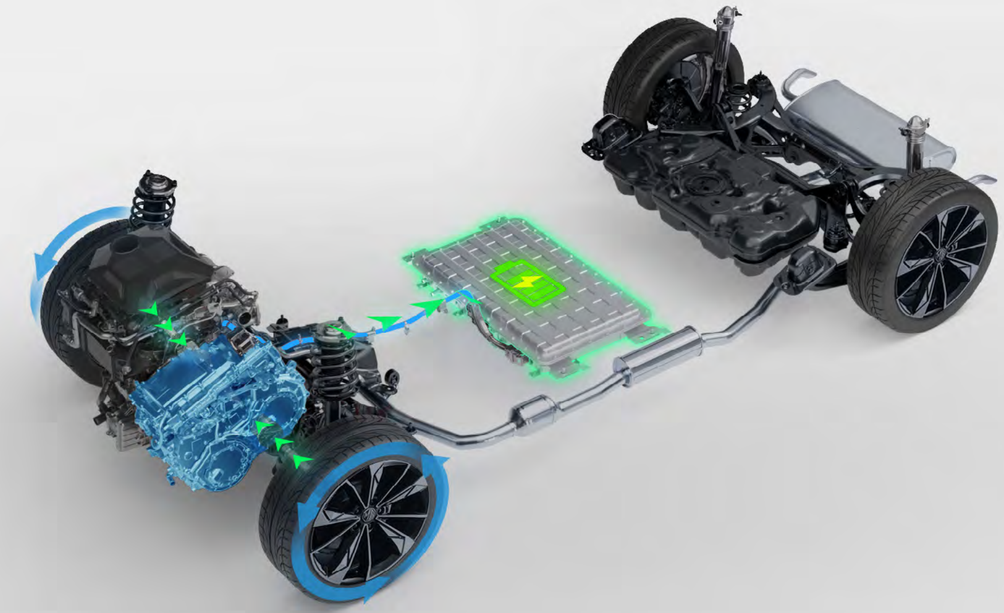

POWER MEETS PRECISION

Explore the intelligent hybrid and plug-in hybrid technology behind the MG HS range. Dynamic petrol power combined with electric efficiency for a smoother, smarter, and more sustainable drive.

THE HYBRID PLUS

Petrol performance and electric efficiency. The MG HS Hybrid+ gives you the best of both, seamlessly switching between them for effortless everyday driving.

DUAL POWER, MAX CONFIDENCE

From city streets to open roads. From smooth and near-silent electric driving at low speeds, to petrol power for extra performance or range.

LOWER EMISSIONS, SMARTER DRIVING

Electric power, especially in stop-start traffic, reduces your environmental impact. Without you needing to change the way you drive.

EFFICIENCY PAYS

Driving smarter drives down costs, with lower CO_2 emissions meaning fewer trips to the fuel pump and reduced road tax.

PLUG IN AND GO FURTHER

In more ways than one. Our new generation of MG HS Plug-in Hybrid upgrades an already-impressive electric performance, expanding your driving and shrinking your carbon footprint and fuel bills.

With up to 75 miles* of electric range from a 24.7kWh battery, get ready to maximise efficiency and minimise emissions.

*Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration.
