

INTRODUCES

MG ZS

ROUTINELY DIFFERENT

With a perfect blend of advanced technology and spacious design, smooth performance and low running costs, and a choice of Petrol or Hybrid powertrains, the MG ZS has it all. It's compact, it's complete and it's hard to beat.

PUT THE PACKED IN COMPACT

The MG ZS packs a punch. But that's not all it delivers.

PRACTICAL COMFORT

There's plenty of room to breathe here. In fact, with a stylish and contemporary cabin, and up to 1,457 litres of boot space*, there's room for everything. All the family, all the gear, and all the good times.

EFFORTLESS PERFORMANCE

Low fuel consumption and low CO_2 emissions, class-leading power and eye-opening performance. It all comes from the Hybrid+ model and its innovative engine.

ADVANCED TECHNOLOGY

MG Pilot's Driver Assistance System keeps you in good shape, the MG iSMART app keeps you in the know, and an upgraded 12.3" touchscreen keeps you in total control. Drive connected and safe on every journey.

*Rear seats folded.

A BOLD
NEW LOOK

Flawless lines, subtle curves and a long wheelbase create an air of effortless confidence in the MG ZS. A wider front grille, rear spoiler and sleek LED headlamps all add striking flourishes, sitting above 18" alloy wheels* that enhance aerodynamics.

*17" alloy wheels on SE models.

SPEC APPEAL

Opening the door is opening up a world of intelligently-crafted new features, including wing-style drive selector and heated steering wheel*.

Immerse yourself in leather-style front seats – heated and 6-way electric-adjustablity* – along with high-gloss panels, chrome detailing and multifunction soft-touch steering wheel.

*For full specification per version, please refer to technical specifications at the rear of this brochure.

LOADS MORE SPACE

Ingenious and spacious from front to back. 443 litres of boot capacity increases to 1,457 with rear seats folded, and smart storage throughout the MG ZS interior includes an adjustable cup holder and armrest tray.

BIG ON TECH

Technology is smartest when it puts people at its centre. In the MG ZS, you're surrounded by innovation. All the controls and information you need, at your fingertips.

12.3" HD SCREEN

Your command hub from the driving seat. Sat nav, music, Apple CarPlay™, Android Auto™, Bluetooth, DAB radio and more. It's all a tap away on your 12.3" infotainment screen.

7" HD DRIVER DISPLAY

Intuitive, but not intrusive. The virtual cluster makes it easy to view driving information, and control your phone, music and other infotainment.

360° HD CAMERA*

Tackle parking and narrow spots with ease. Four wide cameras give you an all-round HD view, ultrasonic radar alerts you to obstructions, and Dynamic Reversing Assist helps you park at the perfect angle.

APPLE CARPLAY™ AND ANDROID AUTO™

Stay connected to your world through your smartphone and the MG ZS. Effortlessly access navigation, music, news and weather, all through a seamless and smooth interface.

*Available on MG ZS SE Petrol and MG ZS Trophy Hybrid+. The 360° Around View Monitor is a driver assistance system designed to support parking and low-speed manoeuvring. Due to the limited coverage of the camera system, the display may not show all surrounding obstacles or hazards.

The driver shall remain fully responsible for the safe operation of the vehicle and shall at all times maintain awareness of the vehicle's surroundings by direct visual inspection and appropriate caution.

HYBRID POWER
JUST GOT SMARTER.

Leading engine technologies delivering best-in-class performance and exceptional fuel economy.

The advanced hybrid powertrain in the MG ZS Hybrid+ switches automatically between five operating levels for optimum performance. Whatever and wherever the journey.

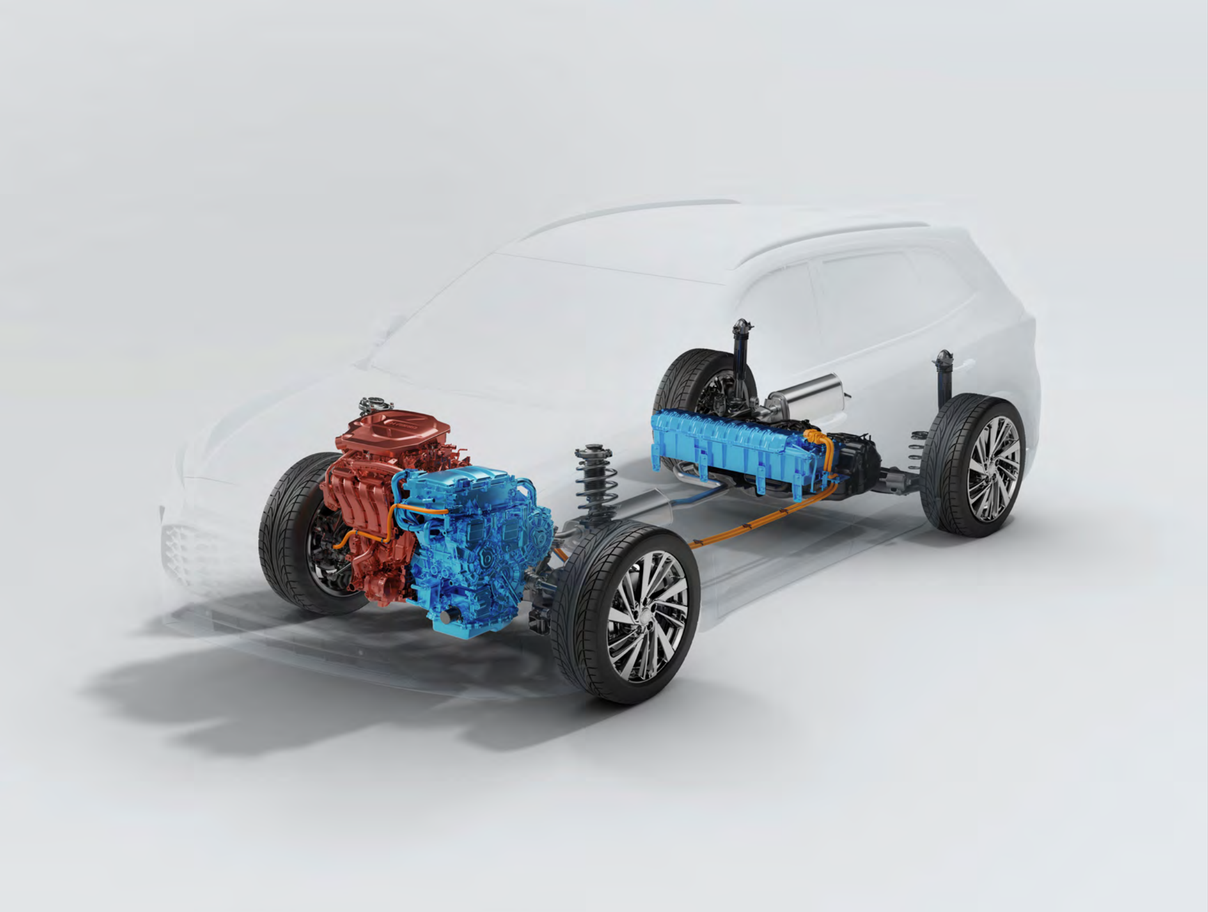

ENVIRONMENTAL AND ECONOMICAL

More than just reducing your carbon footprint, you create zero tailpipe emissions in fully electric mode, and spend less at the pump and on road tax compared to petrol and diesel cars.

DRIVING WITH
A BIG PLUS

Our advanced Hybrid+ system enhances your drive.
On so many levels.

PERFORMANCE

The 100kW electric motor and 75kW combustion engine deliver more power and seamless electric torque at city speeds. Ultra-refined performance without the negative impact on fuel economy and emissions.

LOW EMISSIONS

115g/km of CO_2. That's lower than a comparable petrol car, and could save you on tax and low-emission zone fees. The MG ZS Hybrid+ keeps running costs low too, with a combined fuel consumption of 55.4MPG.

ULTRA EFFICIENCY

The MG ZS Hybrid+ is designed to leave the rest behind. Its quick-response motor and 3-speed hybrid transmission make it one of the most efficient models in its class.

SMOOTHER DRIVE

The instant response and effortless acceleration of a fully electric vehicle, at your feet. With a class-leading, high-capacity 1.83kWh battery, so you enjoy smoother EV driving, more of the time.

All shots: MG ZS Hybrid+ Trophy model.

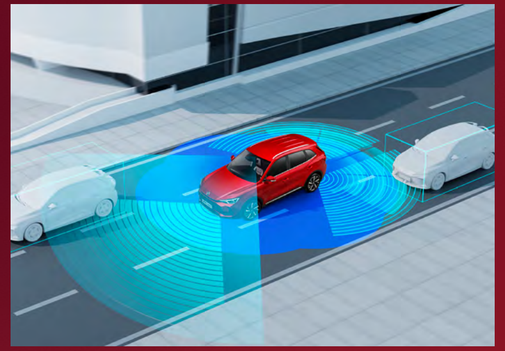

All shots: MG ZS Hybrid+ Trophy model.

MG pilot

For added confidence on the road, the MG ZS is equipped with a suite of high-tech driver assistance technology.

AFTERCARE

7 YEAR WARRANTY

Performance is nothing without peace of mind. In the MG ZS, with a 7-year or 80,000-mile (whichever comes first) warranty, and an 8-year battery warranty, you get both. Expert technicians on-hand keep your MG ZS at its best, in a warranty that's fully transferable to future owners.

MG SERVICE PLANS

Protecting you against bumps in the road, our Service Plans cover your MG HS for up to 7 years and a preferred mileage range. And with an authorised repairer network offering genuine parts and factory-trained staff, you know your car will always be in its optimal condition.
